

HIGH STANDARDS, HIGH ASPIRATIONS, HIGH EXPECTATIONS

19th March 2020

Dear Parents/Carers,

We are acutely aware that the closure of schools will add significant burden to many families who depend, in part, on the provision of free school meals for their children.

We are working with our catering providers (Aspens) to try and plan for being able to continue to provide some form of provision for our families who need this during closures. To allow us to plan more effectively please complete the form below in complete confidence by the 2pm **Friday 20th March**.

We will then circulate further information about how this will work and what provision will be in place. We will try to provide a provision for as long as we physically are capable of doing.

[This is the form for free meals requests](#)

As always, thank you for the continued support and understanding.

Regards,

Cameron Shaw
Principal
